 - 1.1 The superintendent shall notify the Association of the assignment area(s) that are being considered for reduction.
 - 1.2 Reductions shall be accomplished first by attrition, resignation and/or retirements in assignment areas that are designated by the School Board for reduction.
 - 1.3 If more reductions are necessary, then staff in the designated assignment areas will be laid off. In identifying which support staff to release, the administration and the board will consider the following factors with equal weight: assignment area, work performance (utilizing the last five years of evaluations), certification (if applicable), professional development, and seniority (experience in the assignment area). If all the factors are equal, then seniority will be used in making a final determination. Seniority is defined as the total number of years continuously employed in the District. All support staff transferred between categories shall maintain their original hire date.
2. Assignment areas shall be as follows:
 - Assignment Areas
 - Secretaries
 - Aides
 - Custodians
 - Food Service Personnel

3. Employees to be laid off will be given notice of lay off no later than 21 days prior to the effective date of the layoff. Bargaining unit members laid off under the procedure above will be entitled to a recall period that lasts one year beyond November 1 following the date of the layoff. An employee who refuses a job offer during the one year recall period shall forfeit any right to further recalls. An employee who is laid off and recalled shall suffer no loss of seniority or benefit of the employment due to the layoff.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals this 4th day of April, 2016.
